Advisory Action Before the Filing of an Appeal Brief

Application No.	Applicant(s)	Applicant(s)		
09/899,444	HERREWEGHEN, ELSI	HERREWEGHEN, ELSIE VAN		
Examiner	Art Unit			
Jung W. Kim	2132			

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --THE REPLY FILED 15 September 2005 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE. 1. Make The reply was filed after a final rejection, but prior to or on the same day as filing a Notice of Appeal. To avoid abandonment of this application, applicant must timely file one of the following replies: (1) an amendment, affidavit, or other evidence, which places the application in condition for allowance; (2) a Notice of Appeal (with appeal fee) in compliance with 37 CFR 41.31; or (3) a Request for Continued Examination (RCE) in compliance with 37 CFR 1.114. The reply must be filed within one of the following time periods: ___months from the mailing date of the final rejection. a) The period for reply expires b) The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection. Examiner Note: If box 1 is checked, check either box (a) or (b), ONLY CHECK BOX (b) WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f). Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b). NOTICE OF APPEAL ___. A brief in compliance with 37 CFR 41.37 must be filed within two months of the date 2. The Notice of Appeal was filed on _ of filing the Notice of Appeal (37 CFR 41.37(a)), or any extension thereof (37 CFR 41.37(e)), to avoid dismissal of the appeal. Since a Notice of Appeal has been filed, any reply must be filed within the time period set forth in 37 CFR 41.37(a). 3. The proposed amendment(s) filed after a final rejection, but prior to the date of filing a brief, will not be entered because (a) They raise new issues that would require further consideration and/or search (see NOTE below); (b) They raise the issue of new matter (see NOTE below); (c) They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or (d) They present additional claims without canceling a corresponding number of finally rejected claims. NOTE: See Continuation Sheet. (See 37 CFR 1.116 and 41.33(a)). 4. The amendments are not in compliance with 37 CFR 1.121. See attached Notice of Non-Compliant Amendment (PTOL-324). 5. Applicant's reply has overcome the following rejection(s): ___ 6. Newly proposed or amended claim(s) would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s). 7. Tor purposes of appeal, the proposed amendment(s): a) will not be entered, or b) will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended. The status of the claim(s) is (or will be) as follows: Claim(s) allowed: Claim(s) objected to: Claim(s) rejected: _ Claim(s) withdrawn from consideration: _____. AFFIDAVIT OR OTHER EVIDENCE 8. The affidavit or other evidence filed after a final action, but before or on the date of filing a Notice of Appeal will not be entered because applicant failed to provide a showing of good and sufficient reasons why the affidavit or other evidence is necessary and was not earlier presented. See 37 CFR 1.116(e). 9. The affidavit or other evidence filed after the date of filing a Notice of Appeal, but prior to the date of filing a brief, will not be entered because the affidavit or other evidence failed to overcome all rejections under appeal and/or appellant fails to provide a showing a good and sufficient reasons why it is necessary and was not earlier presented. See 37 CFR 41.33(d)(1). 10. The affidavit or other evidence is entered. An explanation of the status of the claims after entry is below or attached. REQUEST FOR RECONSIDERATION/OTHER 11. 🛛 The request for reconsideration has been considered but does NOT place the application in condition for allowance because: See Continuation Sheet. 12. Note the attached Information Disclosure Statement(s). (PTO/SB/08 or PTO-1449) Paper No(s). 13. Other: . GILBERTO BARRON JY SUPERVISORY PATENT EXAMINER

TECHNOLOGY CENTER 2100

Continuation of 3. NOTE: the new limitation "thereby to verify ownership of the receipt by the owner" affects the scope of the claims. The original recitation of the claims defines a reference to the designated owner of the receipt while maintaining the owner anonymous or pseudonymous. The inclusion of the "thereby" clause alters the limitation "while maintaining the owner anonymous or pseudonymous" from a feature of the receipt to an intended use: "and thereby to enable said owner to verify ownership of the receipt while maintaining said owner anonymous or pseudonymous". See MPEP 2106.II.C. Hence, the proposed amendment would require further search and consideration.

Continuation of 11. does NOT place the application in condition for allowance because: Regarding applicants argument that the prior art rejections under Lewis in view of Brands is not proper because the prior art does not teach combining the references in a manner that teaches the features of the prior art, specifically that "Brands does not suggest how to issue or use receipts while maintaining the owner of the receipt anonymous or pseudonymous", examiner respectfully disagrees. Brands discloses a well known method of maintaining privacy of the owner of information by providing pseudonyms by several organizations to a user then using a blind signature protocol to transform a signature on a pseudonym by one organization to a signature on the other pseudonyms by the other organization, whereby the information certified by the one organization can be shown to the others, without enabling the other organizations to link the origins of the transferred information. This certified information can establish the credentials without publicly identifying the person with the pseudonym. Moreover, Brands discloses that the feature of maintaining privacy of participants of a transaction is well accepted. Brands, col. 1:65-2:34. Furthermore, a receipt falls under the umbrella of certifiable information since it it is data that discloses the particulars of a transaction. Hence, the motivation to combine is taught by Brands.
